

## MATLAB Resources for Self-Study

MATLAB is available to NYU students free of charge at the link below:

<https://www.mathworks.com/products/matlab/student.html>

Basic introduction for beginners:

MATLAB Onramp (about 2 hours):

<https://matlabacademy.mathworks.com/details/matlab-onramp/gettingstarted>

Detailed introduction for beginners:

MATLAB Fundamentals (about 16.5 hours):

<https://matlabacademy.mathworks.com/details/matlab-fundamentals/mlbe>

**For everyone:**

MathWorks Help (searchable repository of everything: function documentation, examples, etc.):

[https://www.mathworks.com/help/matlab/index.html?s\\_tid=hc\\_panel](https://www.mathworks.com/help/matlab/index.html?s_tid=hc_panel)

MATLAB Central (MATLAB user community):

<https://www.mathworks.com/matlabcentral/>
